### **DETAILED ACTION**

This Office Action is in response to the proposed amendment filed January 30, 2004.

#### ***Response to Amendment***

The proposed amendment filed January 30, 2004 has been entered and made of record.

The amendment of claim 36 is sufficient to overcome the rejection of claim 36 under 35 U.S.C. 112, second paragraph stated in the previous office action. Therefore, the rejection of claim 36 under 35 U.S.C. 112, second paragraph is withdrawn.

#### ***Allowable Subject Matter***

Claims 28-31, 36-42, 44 and 45 are allowed.

The primary reasons for the allowance of claims 28-31, 42, 44 and 45 were stated in the office action mailed February 6, 2003.

The primary reasons for the allowance of claims 36 and 37 is the inclusion therein, in combination as currently claimed, of the limitations of etching a conductive film such that, simultaneously, the conductive film is divided under an opening in a mask and has a cylindrical hole formed therein under a second opening in the mask. These limitations were found in claims 36 and 37 and are neither disclosed nor taught by the prior art of record, alone or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
